

BEFORE AND AFTER

OUR MISSION

A big welcome at B&A a supportive and uplifting community, a place that is created to value and celebrate your soul, heart, and your human being. B&A stands for vitality, life, love, and happiness. We love making your personal well-being, your happiness and your life more beautiful with your products. Our vegan skincare, Tonic, and Candles are meant to touch your soul, uplift your body and mind. We are passionate about indulging your senses with the finest ingredients. Mother nature is our source of inspiration. That's why we travel the world to find local farms that grow and harvest their herbs and flowers with the utmost care. We take sustainability seriously and source and produce responsibly. This is the only way to create our unmistakably exquisite aromatherapy and fragrance experience. Pure and without compromise. Enjoy wonderful me-time moments with B&A and give them to your loved ones.

OUR VISION

We believe that physical and mental health is a source of wellness, beauty, and confidence for every woman. That's why we are here to raise your wellbeing and care treatments, engaging you to develop relationships with the communities we serve.

OUR STORY

Health and natural beauty are more than everything; we at B&A Cosmetics now more concerned with well-being and skincare and how they affect beauty, rather than simply being beautiful as a stand-alone concept. Sustainable development with all-natural ingredients combined with powerful antioxidant properties from high-quality gold particles, with help of leading German Dermatologists, we develop to bring the most outstanding beauty experience to you

The woman behind B&A Message from our CEO

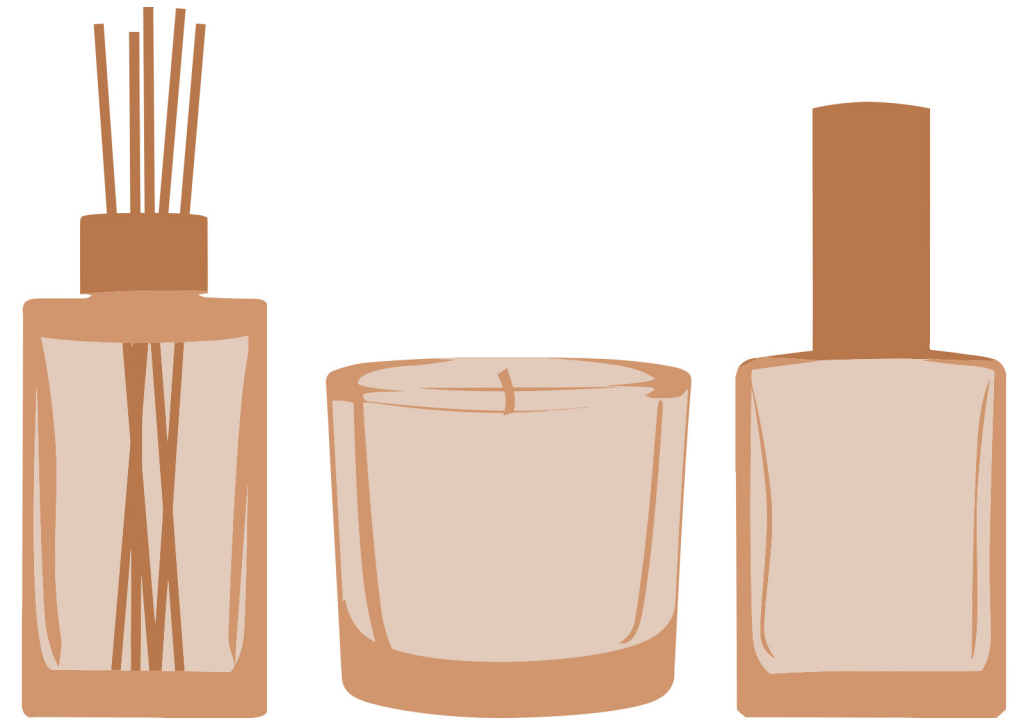

I believe, now more than ever, in what we do. Beauty gives us hope. It brings us together in spirit and courage even as a dangerous virus keeps us physically apart. That is why, responding rapidly to changes in consumers' lifestyles and mindsets, we continue to grow our core Beauty business with transformative initiatives and new digital purchasing experiences. We never compromise on quality or the heart. Cruelty free & 100% vegan skincare, candle and diffuser. Obviously. Amazing products and great inspiration, straight from the world renowned all under our unifying mission of BEAUTY INNOVATIONS FOR A BETTER WORLD. We may be physically separated, but we can and we will support one another. Stay connected and let's be each others helpers.

In love,
Yours Almaz
